Dear PAC Members

Growing up in Victoria, I remember how excited I would get as a child attending field trips, using the new computers in the computer lab and being able to go camping with my friends at Shawnigan. As a child, I never took into account how much work the PAC does on the back end to make this happen. From bottle drives, coupon book sales and tree clippings, fundraising plays a large part in funding student trips and activities.

As a licensed Real Estate agent at Pemberton Holmes, I wanted to find a way that would enable me to give back to my local community in a impact-full way. As part of my business, I'd like to partner up with the PAC and create a referral program that I believe would benefit your fundraising efforts. If a referral is sent to me and it eventually transpires into a sale or purchase of a home, I will happily donate a minimum of \$500 of my earnings to the PAC.

Being a new father, I want to set a positive example for my daughter by giving back to the community that gave so much to me. I look forward to investing into your PAC and helping your fundraising efforts.

Sincerely,

Manbir Samra
