Newsletter #13

June 17, 2020

Good Afternoon Northridge families,

Here are a few items to keep you informed about what is happening at Northridge.

School Start-up

We have more questions than answers. I wish I could tell you what school will look like in September but we just don't have enough information. As we come closer to September start-up, there will be more news from the District and the Province. I will make one prediction to say that it is highly unlikely that this coming September will look like our last September.

Class Placements

Our Northridge Team has been working very hard together over the past few weeks to find best learning placements for all our Northridge students. During this complex process each teacher places their current students in collaboration with all same grade teachers. Please trust that we have your child's best interest at heart. We ask that as parents you help prepare your child for success in September by reinforcing your belief in their capabilities.

Loaned Technology

If you have borrowed an iPad or Chromebook from the school please return it in the next few days. All items will need to be returned by **Tuesday, June 23rd**.

Report Cards

Report cards will be issued the week of **June 22nd**. Students attending on Monday and Tuesday will receive their reports on Tuesday afternoon. Students attending on Wednesday and Thursday will receive reports on Wednesday afternoon. Students not attending school can pick up their report cards at the office window by the front door starting **Tuesday, June 23rd**.

School Supplies

Please see the attached letter and information about school supplies. By using this convenient school supply service you can save time as the supplies are delivered to the school ready for your child in September.
