Good Afternoon Northridge Community,

Wow, it has been a challenging year for families and the school. Thank you for all your support. I am continually impressed by the flexibility, generosity and spirit in our Northridge community and as Dr. Bonnie Henry has said, we need to do this together. We are a strong community and we will continue to support each other.

At this time we do not know what school will be like in September but as details become available we will communicate them to you. Please monitor your email, especially later in August, for information on starting school in September.

Be kind, be calm and have a safe and wonderful summer,

Summer Reading Bingo - Mrs. Buckham

To help your child maintain the reading gains made over the school year, please take a few minutes each day to have him/her read to you. Research shows that all it takes is six appropriately levelled books and he or she is likely to fend off summer reading loss and maintain the reading gains made during the previous school year. If a child reads even more books, eight or ten or twenty, he or she may even gain grounds, and return to school in September a more confident reader. To help you with this endeavor, your child will be bringing home a summer reading bingo sheet in their report card envelope. This sheet is full of literary activities for your child to work on over the summer months. Thank you for supporting your child's reading over the summer! Have a great summer and happy reading!
