Our Northridge values: Safety, Kindness and Respect

December 18, 2020

Good afternoon Northridge Community,

This has been a year like no other with COVID 19. We will likely be dealing with COVID for the remainder of the school year, so thank you for your patience and persistence as you supported our school in the last four months. Special thanks to everyone for helping us reach out and support some of our Northridge families. Our Holiday Hampers all made their way to homes in our community and although the pandemic continues, giving and helping others is the best medicine of all.

On behalf of the Northridge staff I would like to wish you a wonderful holiday season with your family and I hope that you have a restful and healthy break. We look forward to seeing everyone back at school on January 4th, 2021.
