

Northridge Notepad

Our Northridge values: Safety, Kindness and Respect

January 15, 2021

Good afternoon Northridge Community.

The sunshine has finally arrived. We have had a super week here at Northridge. Lots of new and exciting learning units are happening. We hope you are all able to get out and enjoy this refreshing weather.

A reminder to all parents to please remember Covid practice while dropping off and picking up students. Thanks for helping keep our Community healthy.

Student Led Conferences

Student Led Conferences allow parents and guardians to work side by side in the classroom with their child. This provides the adult an opportunity to learn about their child as they complete specially designed tasks. Unfortunately, with our COVID restrictions we need a different approach.

Here's our plan:

This year our staff will use the two half days reserved for in-class Student Led Conferences to prepare a portfolio for you and your child to complete at home. This portfolio will allow you to observe your child demonstrate their learning by completing a series of activities. Go at your own pace and let your child take the lead allowing you the opportunity to see your child's learning first hand.

Students will be dismissed on Wednesday, Feb 10th and Thursday, 11th at 12 noon to allow teachers time to create individual portfolios for each student. Portfolios will be sent home towards the end of the next week. As always your teacher is ready to assist you if you have any questions about the portfolios or the progress of your child. Reminder that Feb 12th is a Pro D day and Feb 15th is BC Family day

Dates to remember

January 11th-15th – Early French Immersion Registration Week (K-Gr.1)
