March 2022 Snapshot

Building Healthy Habits

Parents have significant potential to influence their children's behavior. This includes eating habits, physical activity and mental wellbeing.

Phone Number, Address and Emergency Contact Information

Please advise the Office if you have recently moved or changed your phone number. Also, please advise us if you have new emergency contact information. This information is helpful in the event that your child is injured or sick at school and needs to be picked up. Besides family members, if possible, place a few trusted neighbors or family friends on the list. This way, there is someone to pick up your child even if there is a family emergency. Always make children aware of who is on the emergency contact list and who has permission to pick them up.

Country Grocer (Royal Oak) - Save a Tape Program

Save your grocery receipts and drop them off at the school. Country Grocer will donate 3% of the total sales of the receipts collected. That's \$3 to our school for every \$100 spent at Country Grocer. You can ask family and friends to save their receipts for you as well. There is a drop off box located inside the Northridge Office. This is a great fundraiser!
