

Northridge Notepad

Our Northridge values: Safety, Kindness and Respect

May 20, 2022

Good afternoon Northridge Community,

As we are nearing the end of this school year we are starting to prepare for next year. If you know that you are moving out of our school catchment and will be transferring elsewhere, we ask that you please let our Office know as soon as possible. This help with numbers and class placement prep.

With that being said, this year we are excited to share that we have planned a Beach Day and a School Fun Day in June. We will also be having a Music Concert.

We have now posted the schedule for next year to our website and have attached the School Supply Lists for the 2022/2023 school year to this email.

As always if you have any questions please feel free to reach out to the office at any time.

Wishing you all a wonderful long weekend!!

Northridge Music Concert

We would like to formally invite you to the "Music for the World Concert" on June 15th beginning at 1pm. *Kindergarten - Grade 2* will be performing at **1:00-1:30pm**, followed by *Grades 3-5* at **1:50-2:20pm**, and the *Mrs. Fisher's string ensembles* from **2:30 - fin** at Northridge elementary in the gym. Because of the capacity of the gym, we are limiting each performance to 2 adults per child - and this will be based on the honour system. The theme of "Music for the World" came together because students are singing and playing songs from all over the world, including Japanese songs, folk songs, Indigenous songs, as well as some rock n' roll. We are excited to have you, and excited to see you for the first in-person concert in a long time. If you have any questions, feel free to email Mr. Greig.

Lost and Found

We have quite a few treasures in our lost and found. There are many hoodies and jackets looking for their homes. Our lost and found is located at the front of the school and we will have it on display for the next couple weeks. We ask that if possible come take a look at pickup or drop off or you have your student please come take a look and see if they recognize anything. At the end of the school year, we will donating all clothing.

Save your grocery receipts and drop them off at the school. Country Grocer will donate 2% of the total sales of the receipts collected. That's \$3 to our school for every \$100 spent at Country Grocer. You can ask family and friends to save their receipts for you as well. There is a drop off box located inside the Northridge Office. This is a great fundraiser!
