

# Northridge Elementary School

WEEKLY UPDATE  
Friday Nov. 10

## Important Messages

**Remembrance Day Assembly:** Today we held our Remembrance Day Ceremony. During the assembly students had the opportunity to reflect and remember those Canadians who lost their lives in war. We heard from Division 3 and 6 who presented 'In Flanders Field' and a poem titled 'Little Poppy' from our K/1 classes. We also heard a beautiful song from our choir.

**Drum Circle** We are excited to be starting our after school Drum Circle! Our first meeting will be led by Mrs. Maxwell this coming Wednesday, November 15 from 2:45-3:30 in the gym. Meetings will happen weekly on Wednesdays until the end of term, with the exception of December 13. We will learn about First Nation Drum Circle protocol and teachings, and will learn the songs gifted to us by the local First Nations. All ages of Northridge students and staff are invited to join. Looking forward to seeing you there!

**Save the Date! Winter Concert:** Our Winter Concert will be held on Wednesday December 13<sup>th</sup>. We will have an afternoon concert at 1:00 and an evening concert at 5:00. More details to follow in the upcoming weeks.

**Save the Date! Gingerbread House Making Afternoon:** On the afternoon of December 22 (our last day of school before winter break). Families are invited to come into classes to help decorate gingerbread houses. More details to follow about this event as well.
