JOIN THE PAC....pleeeeeease (do we sound desperate? we are!)

Our PAC is responsible for many of the events and upgrades around Northridge. We are currently a small group (8-10) and will be losing key members next year. Please consider joining us for our next meeting (Dec 6th) or emailing us (northridge.pac.info@gmail.com) to see how you can fit in. Without new faces, we are bound to see less opportunities for students next year.

Everyone welcome.

We need new members!

Next PAC Meeting
