

# Northridge Elementary School

WEEKLY UPDATE  
April 19<sup>th</sup>

## Important Messages

**Earth Day:** Monday is Earth Day! We will be celebrating by wearing blue and green colours and 'Earth Shirts' if you have them. If you are able, please travel to school in a 'green' way. Please consider turning lights off at home, shutting down electronic devices, riding bikes instead of driving and getting out in nature!

**Student Led Conferences:** Are happening on Thursday from 1:00 to 5:30. Students will be dismissed at 11:50. You should have received information about a specific time to visit your child's class. Student Led Conferences are a great opportunity for your child to lead you through some of the great learning that they have been engaged in this year.

**Book Fair Notice:** Please see the attached notice about Book Fair happening next week. A big 'thank you' to Mrs. Buckham for putting this on.

**Are you Leaving?** We'd hate to see you go...but if you are moving to a new house and plan on attending a new school, please let our office know.
