

Northridge Elementary School

WEEKLY UPDATE
February 13th

Important Messages

Stream of Dreams: Thank you to the families that helped install our new fish to our original stream of fish! This was such an amazing project with great opportunity for new learning as well.

Jump Rope for Heart: This year Northridge Elementary will be participating in Jump Rope for Heart on Friday Feb 21. We encourage students to bring in a loonie or toonie donation that will go towards The Heart and Stroke Foundation. We will be treated by a performance by the Island Hoppers at 12:45.

Northridge Spirit Day: Next Friday Feb 21 is also Northridge Spirit Day! We encourage all student to wear any Northridge gear that they have and/or dress in blue and yellow. All students will get a new Northridge sticker and students who show the most Northridge spirit may get a prize

Thank You! On behalf of the entire Northridge Staff we would like to say a great big 'Thank You' to the PAC and all of the parents who supplied us with yummy treats and a delicious lunch this past week. We truly value your support and the love and care you provide us at the school!
