

Northridge Elementary School

WEEKLY UPDATE
June 1st

Important Messages

Go By Bike Week: This week, across the province, it is Go By Bike Week. We encourage all students to bike or scooter to school. We will be keeping a tally in classes and the class with the highest percentage of wheelers will win a prize. Also, we will be having PISE come in and teach students about Bike Safety on Monday and Tuesday. Please see the attached schedule. If your child does not have a bike there will be some available.

Spring Fine Arts Showcase: is happening on Wednesday in the gym. Please join us at 1:00 to see our talented students perform. We will also be hosting a Maker Market where students are welcome to sell homemade crafts they have made. Tables will be set up in the hallways prior to our performance. If your child is interested in selling, please let Lindsay know.

Track Season: A big congrats to all of our Northridge runners who participated in track this season! We sent 101 students to the track meet on Wednesday and 21 students went to the City Finals on Thursday evening. Well done runners and thank you to all of the coaches and parent volunteers who helped to make it a very successful track season!
